# THINGS TO DO

## Hiking/Walking

Cold Creek offers 8.7 km of marked scenic nature trails for any beginner or seasoned hiker.

## Disc Golf

Enjoy our 18 hole disc golf course that flows through the site. Each hole identifies various species throughout the site.

## Dog Walking

- Please keep dogs leashed at all times
- Remain on trails and out of natural habitat
- Clean up after dogs to keep trails clean and protect wildlife - waste bags are available throughout the trail
- Keep dogs controlled for the safety and comfort of other users

## Picnic

Cold Creek offers a picnic shelter located at the interior of the park and a variety of unique and intimate locations around the trail.

## Apiary

Head to the apiary to learn all about honey bees and honey production. Watch them from the Observation Shed.

## Historic Sightseeing

Visit the Heritage Barn and the site of the Cairns Family Farmhouse. Heritage plaque on site for your reading pleasure.

## Bird Watching

Hundreds of species of birds take advantage of the varied habitats of wetland, forest and meadow protected in our conservation area.
